Located just steps from the village in absolute tranquility, this traditional 1970s house offers a pleasant and practical living environment, with all amenities within walking distance. Built on two levels, it offers approximately 120 m² of living space divided into two separate units (an internal staircase exists): Upstairs: a bright 3-room apartment of 90 m² featuring a spacious independent kitchen, a large living-dining area opening onto an L-shaped wraparound balcony with an unobstructed view, two bedrooms, a shower room, and a WC. On the garden level (converted basement): a 2-room apartment of about 40 m² including a living room, kitchen, shower room, and WC, also with ground-level access.
